

Farewell Song

We'll sing you a story of the Uffs in the Dale
Eighteen plus years. Laughter and tears.
Following Jesus and living for him
God working out his good plan
Saying goodbye: you're part of our lives
Now and for always.

Sit by the firelight's glow
Tell us an old tale we know
Tell of adventure strange and rare
Never to change, ever to share
Stories we tell will cast their spell
Now and for always.

We'll sing you a story of the church in the
Dale
Our Father at work, healing hurt
Loving our neighbours and serving the King
Everyone playing their part
Welcoming all, both big and small
Now and for always.

Sit ...

We'll sing you a story of childhood in the Dale
Now adults, once kids with a Springer called
Fizz
Raj Voog and Waitrose, Anne Marie and the
parks
Walking at Coworth in bloom
Church family who care, we're thankful to
share
Now and for always.

Sit ...

We'll sing you a story of the future of the Dale
Now we are gone, the story moves on
God's called us to Farnham, and the kids far
and wide (Bristol, Cardiff and Winchester)
An exciting new chapter for you
We'd all like to say: go well on your way
Now and for always.

Sit ...
