Dear Church members,

Thank you very much to you all for the donation of underwear and socks from Holy Trinity Church. It is much appreciated and will help our homeless beneficiaries keep warm this winter.

We have, on average, 10 people staying in the night shelter every night. They are all provided with a hot meal, hot breakfast, food for lunch and a bed for the night. For instance: one of the homeless, an ex-veteran, appreciates the new dry socks.

We wish you all a very Happy New Year.

sincerely
